Toni Batey NZPGA Golf Professional

Toni (with a bubbly personality) and a passion for teaching golf that is contagious makes her an ideal choice for those that are just taking the game up.

For those that have been playing for a number of years, she has the ability to re kindle a passion that you used to have for the game. So be warned, you may just get hooked all over again.

Toni is 1 of only 6 qualified women Teaching Professionals in New Zealand. She is a member of the NZ Professional Golfers Association and has worked as a freelance professional since 1999 at over 15 courses. She has also worked for NZ and Canterbury Golf as a Golf Development officer. She represented

NZ in the under 21 representative team as well as at Canterbury Senior and Junior levels.

On a more personal level, she is married, and the mother of 2 girls, Alex and Emma. We consider Toni to be the top teaching professional in Canterbury, if not New Zealand, and we are proud to be associated with her.
